WIN/WIN SITUATION: GIVE FROM YOUR IRA

As you plan your end-of-year giving to organizations that make a difference in people's lives, please consider Advent Christian Village. For a win/win situation, consider giving from your IRA.

If you are over the age of 70½, you can make charitable gifts directly from your IRA. You can donate up to \$105,000 (or \$210,000 for couples) per year from your IRA to a qualified charitable organization like ACV.

What are the benefits to you? The distribution counts towards your RMD (Required Minimum Distribution), and it does not count as income on your tax return — so it lowers your taxable income. This is especially useful for those who make regular donations but are not able to itemize deductions on their tax return.

Simply contact your account administrator and tell them you would like to send a donation from your IRA to Advent Christian Village, Inc. at P.O. Box 4305, Dowling Park, FL 32064. The check must be made out to Advent Christian Village so that you are not taxed for the distribution.

For further information, please call Jim Davis, ACV's Director of Legacy Giving, or Darleen Hinrichs, Senior Director of Donor Engagement, at 658-5110.

MEMBER SERVICES

James Sutter—386-658-5400

At the end of last week, a small group gathered in the OPR to participate in a nationwide bingo game: BingoPalooza. We competed against other senior centers across the nation, including Hawaii! With so many playing to win, it was a real delight when we had two bingos in our group of 15 ACV players! Both Mary Lou Forsythe and Jo England were able to meet the bingo requirements during the three rounds of four games. Thank you to everyone who participated and to Jo who brought a plate of goodies to share.

Monday morning, a small and friendly group from ACV boarded our float and rode through Live Oak as part of the Suwannee Veterans Day Parade: Bob Maxwell, Gary Ruehl, Phillip Mahler, Hank Kuelzto, Ray Campbell, Debbie Hoffman, Phil Martin, and Homer Stamper. The weather looked like it might turn foul, but we were only sprinkled on. Overall, it was a nice time of celebrating a great holiday.

I thank our two truck drivers: Jim Rainsberger, who pulled the trailer into Live Oak Sunday night, and Rick Welling, who pulled the float through the parade and then got the trailer back to Dowling Park. I also thank Jim, Carole Rainsberger, Gary Ruehl and Debbie Snead for helping me decorate the float Sunday night.

If you missed Tuesday's Veterans Recognition luncheon in the dining room, you missed a real treat. Our guest speaker, Robert Ford — VC member and ACV board member — presented "the rest of the story" concerning the remarkable military career of his older brother, Capt. Charley Ford. Despite Charley's relatively few years in the Army (he was killed during a helicopter training exercise when he was only 25 years old), he rose to greatness. According to WCTV, Capt. Ford is "the most decorated veteran from Suwannee County." The Fords' farm was located across from Bixler Memorial Gardens East on CR 136. It was also amazing to hear that most of the reports of Charley's accomplishments on and off the battlefield were classified and only

became public knowledge a couple of decades ago despite his death occurring in 1969.

Thanks also to Housekeeping staff, Dining Services staff, Carroll Polk, Barbara Bertolino, and Bob Story for helping to make the event a great one.

Member Services Tip of the Week

Another storm, which will be named Sara if it reaches tropical storm strength, is forming in the Caribbean. Long-range models show it could affect us at the end of next week. The end of Hurricane Season may only be a couple of weeks away, but it seems Mother Nature is not finished. ACV will be monitoring the storm closely, and you would be wise to get prepared just in case.

Scam Tip of the Week: Fishing Scams

"Phishing" is a term that describes when online scammers copy the format and look of a legitimate company's website or emails in an attempt to trick unsuspecting individuals to share their usernames, passwords, account numbers, credit card numbers or other sensitive personal information. They often do this by saying the individual must "confirm" or "update" their account information. If you receive an email asking for personal information, do not click any links or reply. Instead, contact that business using a phone number or web address you know to be genuine and confirm whether the email originated from them.

If you believe you are the victim of a scam, file a complaint with the Attorney General's Office online at www.myfloridalegal.com or by phone at 1-866-9-NO-SCAM. You may also file a complaint with the Florida Department of Agriculture and Consumer Services, which acts as the State's consumer complaint clearinghouse, at www.floridaconsumerhelp.com. (Source: The Florida Attorney General's Office)

Volunteer Opportunities

If you are interested in volunteering at ACV in the following opportunities or in any others, please come to MS to fill out an application.

2. Lunch deliverer for shut-ins. Meals are prepared by the dining room and picked up prior to 11:00 to be delivered to each shut-ins' door.
3. Outdoor beautification volunteer. Volunteers are needed to help Environmental Services beautify ACV's grounds by weeding flowerbeds, etc.
4. Village archives attendant. More attendants are needed to help at the Brooks Archive.

"Christmas Traditions"

Check It Out at the Village Square

The History Window theme for December is Christmas Traditions at ACV. This five-minute visual presentation describes Christmas traditions that have developed during the 111 year history of Advent *Christmas* Village. For example,

- For 100 years, the Live Oak Rotary Club brought dinner and Santa to the campus, first for the children, and today at Dacier Manor.
- A 94-year tradition is residents receive a free Christmas dinner.
- For 50 years the Christmas Tree Lighting ceremony has served to light the whole campus, and a Chrismon Tree has adorned the church.

- For 24 years the Village president has provided an afternoon Christmas tea.
- For 23 years CCC has sponsored a Parade on Wheels, and camels from the East have joined residents in the Phillips Center entrance.

The History Window is located at the VS opposite the door into the Village Grocer. The History Window is a project of the Brooks Village Archive.

Brenda Reas, Reporter

If you would like to go on a cruise without leaving ACV, we may have just the thing for you. Lucy Hine and her husband went on several cruises after his retirement, and she has thoughtfully donated 12 photo albums for perusal in our library. There is only room for four on our table, but they will be exchanged from time to time.

We have an audiobook section, paperback rack, and many movies and TV series on DVD for check-out. Magazines can be borrowed without being checked out; just return them when you finish looking at them.

Please have your ACV ID badge available when you come to check out books and DVDs. We are located in the Schoolhouse Room between the OPR and IC. Our drop box is located around the corner across from the restrooms (beneath the bulletin board), and you may return books and DVDs there at any time.

We are larger, take in most of the donations, sort them, send items to the Village shops, and sell a variety of things at our shop. We have most everything you might need for setting up your home including furniture.

We sell a lot of clothing, most for \$2.00 each, and right now are loaded with Christmas everything! The Village bus will bring you if you ask. We look forward to welcoming you!

The next letter pick-up and delivery date is Friday, Nov. 15; make sure you write to your pen pal and get your letters to the IC well before noon. The youth will then get your letters that afternoon or by Monday.

Mark your calendars: The Boys Ranch Christmas Banquet will be held on Monday, Dec. 9, at 6:00 p.m. The bus will leave from CH at 5:00 p.m. and return by 9:30 p.m. Please reserve your spot on the bus at the IC and pay the \$5.00 fee. Let them know if you need space for a power chair or walker. I must report total number going by Dec. 3, so if you haven't reserved, you won't be counted. Don't get left out!

Christmas gifts for your pen pals are up to your individual choices. Please remember that any monetary gifts must be put in a separate envelope or card and given to me. I will then make sure it goes to the proper individual who will place it into the youth's account. You can let your pen pal know about any monetary gift you have given for them.

If you feel you are able to take on a second pen pal, I need two pen pals for two new children who have just been approved for entry to the FSYP. If you haven't done this before, it can be very rewarding to know you have an impact in a child's future. Please call me to complete the form and become a pen pal!

If you want to become a pen pal, please contact me at (386) 330-4865 and leave a message. I will call you back.

"Every child deserves a champion — an adult who understands the power of connection and insists that they become the best they can possibly be" (Rita Pierson).

STEPHEN MINISTRIES Robin Copeland, Reporter

Another training class for Stephen Ministers will begin on Monday, Feb. 3. If you are interested in getting involved, we invite you to attend the Stephen Ministries Informational Meeting on Monday, Nov. 18, at 6:00 p.m. in the OPR. You may also stop by MS to pick up an application.

Continue to lift up our Stephen Ministers and Stephen Leaders in your prayers. Here is what they covered this week. Session Six — Assertiveness: Relating Gently and Firmly (Part 2). This is the second week our Stephen Ministers explore the topic of assertiveness, using Jesus as the model for assertive behavior. They take a look at the differences between passive, aggressive, and assertive behavior.

NEIGHBORHOOD NEWS

BUTTERFIELD ACRES

Jack "CrackerJack" Dixon, Reporter

Thanks to everyone who showed up for our most recent potluck. Our speaker explained the "Neighbor Watch Program" and all who was there thought it would be a worthwhile project. I will have more to come on this in the near future.

We had a very nice memorial for Pat Northup Hall this past Saturday in the VC.

I finally figured out why the chicken crossed the road. He wanted to prove to the armadillo that it could be done.

From the veranda of our humble abode overlooking the ever-so-smooth and dust-free 102nd Trail in BA: My wish for you is for love, wealth and happiness, and that you never forget who is in charge. Isaiah 40:28-31. God bless!

CARTER HOUSE

We have no birthdays or anniversaries to celebrate for the coming week, but we can certainly enjoy the weather and start preparing for Thanksgiving and Christmas. This holiday season promises to be very uplifting.

This is also the time that scammers are prolific in trying to entrap unsuspecting individuals. Please be

very careful about clicking on any links that are emailed to you if you were not specifically looking for something. Contact the company directly on their listed phone number or website and not the link provided by a potential scammer. Always verify if you are not sure. Don't forget to contact your service coordinator or MS if you feel someone has scammed you. They will help you report to the proper agency.

Remember to keep your apartment doors and cars locked, and don't leave valuables in your car. We live in an open community where visitors are always welcome, however, there are sometimes people roaming around that may not have the best of intentions.

Please keep those who are struggling with personal issues and those feeling under the weather in your prayers.

If you have any news you would like to share with others, please call and give me details.

ACV participated in the Veterans Day Parade once again this past Monday with veterans and other members on the float. The Village honored its listed veterans with a free luncheon on Tuesday, Nov. 12, in RDR, and everyone else was welcomed to attend and show support for those who served. If you are a veteran and have not shared your information with MS, please do so. We love to recognize veterans living here.

Remember to be respectful of other residents and visitors. Please do not confront anyone if you think they are violating any of ACV's rules or policies. If you see anything that you believe is out of the ordinary or inappropriate, please contact the IC at 658-3333 and report it. They will ensure someone is sent to check things out. This is your home; IF YOU SEE SOMETHING, SAY SOMETHING!

"Rejoice always, pray without ceasing, give thanks in all circumstances; for it is the will of God in Christ Jesus for you" (1 Thessalonians 5:16-18).

The last birthday this month is being celebrated by Shirley Horne on the 18th. We all wish you a happy and blessed birthday.

Celeste Cook had a visit on the 9th from her son, Aaron Dax, and granddaughter, Ayslin Marie. They enjoyed lunch from Publix — chicken, coleslaw, potato salad, and cupcakes. They caught up on family news, played bingo, and had lots of laughs. Celeste said, "It was a really, really nice visit."

There is so much to pray for these days. Jesus taught us the importance of prayer, and it is more than just asking — it is fellowship with God. And God promises to answer *genuine* prayer when we ...

Obey Him (1 John 3:22)

Confess sin (Ps 66:18)

Abide in Christ (John 15:7)

Ask according to God's will (1 John 5:14)

Ask in faith (Mark 11:24)

Ask with pure motives (James 4:3).

Everything we need for our spiritual success has been promised to us. God leaves us no excuse for failure. So pray without ceasing. Just pray!

Have a blessed weekend.

EDGEWOOD TERRACE

Cathy Oberg, Reporter

Good morning! The sun is peeking through the clouds, and it's promising to be a glorious day.

It's also time to be thinking about the holiday cooking and baking that needs to be done. Mark your calendars for Saturday, Dec. 7, for our annual ET Christmas potluck and party. It will be held in the Youth Lodge behind the Village Grocer at 12:00 noon. Please bring your favorite holiday dish to share, along with a \$10 gift (ladies for a lady and men for a man), and enjoy a great time of fellowship and fun.

While traveling around the ACV campus I see signs of elves busy decorating and creating a winter wonderland in preparation of this season. I'm getting excited to start decorating my home. If you can't tell, Christmas is my favorite time of year.

With the busy season coming don't forget to check on your neighbors. Sometimes we get caught up in our own plans, and it's easy to forget that some are

going through this alone and not so happily. Drop by, give a call, invite them over for coffee. A word of encouragement goes a very long way to make someone's day!

RIVERWOODS

Betsey Ruehl, Reporter

We are already half way through November. Have you made your Thanksgiving plans yet? Holidays can be a tough time for many. A little fellowship goes a long way. Invite someone to share the day and their memories with you. Maybe watch the parade or a game together. Usually, we go to the dining room for the early dinner seating, and I save cooking a turkey and all the trimmings for some other time between Thanksgiving and Christmas. We have to have leftovers to make turkey soup!

Then we need to start baking cookies. RW Social Club has assembled Christmas plates the last several years for neighbors who are ill, alone, or who have moved to other areas of the Village. If you know someone who might enjoy a little Christmas cheer, if you like to bake or have a special cookie recipe you want to share, or even want to be a taste tester, contact me at 658-1766.

We also need some suggestions for those who can't have sweets. We need someone to shop and, as always, can use financial contributions.

This is my favorite time of year. It floods my heart and soul with years of memories of places and childhood, or family and friends with whom we have shared the holidays in the past. Start thinking of holiday décor. They are just around the corner.

I found this fun site of kid-friendly facts. Someone once said that being a kid and being a senior are not so different but sometimes for different reasons. I think they share humor in common. Pass this on to your grandkids: Why can't a leopard hide? Because he's always spotted.

"You cannot run away from a weakness. You must sometimes fight it out or perish. And if that be so, why not now, and where you stand" (Robert Louis Stephenson)?

"Change starts when someone sees the next step" (William Drayton).

MEMBER BENEFITS

ACV offers a variety of programs and services to its members under the membership program. Members pay a monthly fee to provide supplemental support for this array of services and programs, meeting many of the varied needs of its members, as well as providing the opportunity to live his or her life to its fullest potential and highest level of independence. Some services you may not need today, you may well find important or essential in the future, and your financial participation makes it possible for your neighbor to have access to the services they need now.

This week's member benefit of note:

The purpose of the ACV Membership Association is to provide a channel of communication between members and the administration of ACV concerning matters or issues affecting both members and ACV. Every member of ACV is a member of the ACV Membership Association and may attend meetings and special functions, vote, and hold office.

FOR YOUR INFORMATION

FROM BAGS TO BEDS

Linda Warner, Reporter

Last week's meeting was productive. Volunteers have taken on their new roles. We had the volunteer that folds bags at home bring hundreds more folded bags.

For those of you who do not know what plarn is and its various stages, let me explain. Plarn = plastic + yarn. The first stage is collecting the plastic grocery bags that so many of us collect in our homes and don't know what to do with them. This is where most of our

volunteers come from. We would like clean, non-sticky bags as we have to handle these bags with our hands.

The second stage is folding the bags. The third stage is cutting the bags. The fourth stage is weaving the bags together and rolling them into plarn balls. The fourth stage is crocheting the plarn balls into mats.

I was going to describe how each stage is done but I realized that it would take up way too much room in the newsletter. If you would like to learn how to do any stage of the plarn process, come to a meeting, and I can show you. You may want to sit a while and join in the fellowship so that you feel comfortable doing it at home. Every stage can be done at home if you wish to do it at home. Some can be done while sitting in front of the TV.

We are in need of more bags, and a person or two to crochet some mats. There is never any pressure as to how quickly you have to crochet a mat. When you need balls of plarn to crochet a mat, see me. When you have finished a mat, see me.

We have one lady in the Village who crochets mats. Kathleen, the head of our ministry, crochets mats, and she has two other women who crochet mats.

We hope to see you at Cleo's Meeting House on Thursdays, 10:00 a.m.–12:00 noon. Any questions or concerns, you can contact me at (904) 484-8796.

Q: President Carter has said that the Vera Milner Garden is being worked on. Where is that garden?

A: The Vera Milner Garden is the small garden near Dowling Park Drive in front of the VS where the

sundial is located. Prior to Idalia, there was a very large live oak tree located there. When it fell over in the storm, quite a bit of damage was sustained to the garden area.

THANK YOU

Many thanks to you dear ones who remembered me on my birthday. The beautiful cards, gifts, and the fun dine-outs blessed me. Even more, you all cared! God bless you, and thank you very much! Love,
