ANNOUNCEMENTS

OPPORTUNITIES TO GIVE

There are amazing people that support ACV, and we are grateful for each one. Some people enjoy giving to the Benevolent Fund that helps people in need. Others prefer to help with tangible needs. For those people who like to cover the cost of specific items, the following are three of our current needs:

- 1) New Recliners at GSC: \$1,000 per chair. (Please do not donate fabric recliners; GSC cannot use them.)
- 2) New Beds at GSC: 20 beds needed at \$1,000 each.
- 3) New Commercial-Grade Mower for ACV Grounds: \$15,000

If you would like to help, please send your gift to ACV, P.O. Box 4305, Dowling Park, FL 32064, or drop it off at Carter Village Hall. Be sure to note which project you are supporting. If you can't cover the full cost of an item, any gift is very much appreciated.

Thank you for your consideration!

Darleen Hinrichs, Sr. Dir. of Resource Development

FLU VACCINES ARE HERE

Flu vaccines are available at the Copeland Clinic! Please call the clinic to schedule your flu vaccine on Wednesday or Friday afternoons. Vaccines can also be administered at any regularly scheduled appointment.

According to the CDC, people 65 years and older are at higher risk of developing serious flu complications. This increased risk is due in part to changes in immune defenses with increasing age. In recent years, it is estimated that between 70% and 85% of seasonal flu-related deaths have occurred in people 65 years and older, and between 50% and 70% of seasonal flu-related hospitalizations have occurred among people in this age group.

The best way to protect against flu and its potentially serious complications is with a flu vaccine. Annual vaccination helps to ensure the best possible protection against flu.

Protect yourself by getting your flu vaccine!

Keri Hilliard, VP for Health Services

Scam Tip of the Week: Norton Genie

NortonLifeLock has released a new FREE phone and tablet app for both Apple and Android devices called Norton Genie: AI Scam Detector. This app encourages you to paste in text or screenshots of suspicious messages you receive through text or email, or something you see on social media. The app will analyze what you provide and let you know if it thinks it is a scam or if it is legitimate. It will even check out any links that are included. If it is a scam, Genie will ask follow-up questions and give advice on how to react to the scam.

Genie does not automatically detect scams on your device; you must provide messages by pasting text or uploading a screenshot to the app in order for it to analyze it.

ACV MODEL TRAIN CLUB

George Brisbin, Reporter

The Model Train Club invites you to consider joining in the fun and fellowship of model railroading. Prior experience is not required for participation in the club. We will help you learn. Even if you have little to no experience with model trains but would like to tour our clubhouse and discuss participating with us, we would love to hear from you. Just call Paul Cochrane or me, and we will arrange for a time to visit.

What might you do? Model railroading is not just playing with toy trains, but gives individuals like you a way to learn some of the different skills used in making a model train layout. For instance, ever wonder how those little trees are made? Well, they can be hand-made or bought. We really need help in making or using commercial trees to build a forest or two on the current layout project as well as upcoming projects. You could be the club forester.

How about being our building contractor? Building model buildings is a need we will always have. A model maker would have a place in our club that would last a lifetime.

How about major waterway projects? There is a need for making a realistic looking waterfall or a river without water.

Have a mechanical background? There are several engines that need everything from TLC to a major overhaul.

Electronics interest you? Some of our engines need to go from being a DC engine to a DCC engine, which involves installing a decoder chip, which takes around one hour. The list of opportunities goes on.

It does not matter if you don't know how to do these things working with model trains; our club members have little experience in doing these things, but we are great at working together and learning new skills. Come, look around, ask questions, and give it a try. We would love to have the opportunity to show you around and have you join the team.

PEN PAL PROGRAM

A Committee of the Membership Association

Monica Serlick, Reporter

The next letter pick-up and delivery date is Friday, Sept. 20. Make sure you write to your pen pal and get your letters to the IC before noon. The youth will then get your letters that afternoon.

Save the date: Tuesday, Sept. 24. There will be a meet and greet luncheon for all the pen pals at the FSJR. Cost for the bus is \$5.00 so be sure to pay ASAP and reserve your space (at the IC). The bus will leave CH promptly at 10:45 a.m. to arrive at the Ranch by 11:15 a.m. There will be 15 minutes to get into the cafeteria, and then the youth will arrive by 11:30 a.m. for their lunch break. We will have time with them until 12:30 p.m. when they go back to class, and we board the bus and head back to ACV to arrive by 1:15 p.m. This is for all active pen pals. Please notify me if you cannot make it so I can explain to your pen pal. I must have a final head count by Sept. 19. If you have not

confirmed and paid by then you will not be counted as coming.

If you want to become a pen pal, please contact me at (386) 330-4865 and leave a message. I will call you back.

STEPHEN MINISTRIES

Robin Copeland, Reporter

Our Stephen Ministers are learning about listening this week. Please continue to pray for them as they grow in their ability to provide caring ministry on behalf of our congregation.

Session Three — The Art of Listening: Listening is an essential part of Stephen Ministry. Stephen Ministers use active listening skills to help people recognize and accept the feelings they are experiencing. In this session Stephen Ministers learn and practice the skill of reflecting as a valuable listening tool. They explore the many facets of listening and talk about their own experiences so as to better understand when listening is effective and when it feels fake or makes a person feel uncomfortable.

NEIGHBORHOOD NEWS

BUTTERFIELD ACRES

Jack "CrackerJack" Dixon, Reporter

"We can rejoice too, when we run into problems and trials, for we know that they help us develop endurance, and endurance develops strength of character, and character strengthens our confident hope of salvation. And this hope will not lead to disappointment. For we know how dearly God loves us, because He has given us the Holy Spirit to fill our hearts with love" (Romans 5:3-5 NLT).

Who out there is superstitious? This week we have on our calendar FRIDAY THE 13th. It's a day that — for many — creates problems in their minds. However, it is just another day of the month that many have dubbed as a bad day, only because someone started a rumor that it is. It's just like the old saying "Never walk under a ladder because it is bad luck!" Or how about this one: "Don't let a black cat cross your path?" This last one is a bunch of hooey. I know from experience because Barbara and I sleep with a black cat every night! So if you are superstitious, just give it some real thought as to what would Jesus do? I guarantee you my friend He was not superstitious at all.

It looks like we are going to be spared from the likes of Hurricane Francine as she hugs the coast of Texas and heads north to the central part of our nation. We will no doubt get some rain from her, but we can handle that.

BA has lost another longtime neighbor, Nancy Cornell. She was remembered in a lovely service on Saturday in the chapel. It was full of friends and family to whom we send our sympathy and love. It is also reported that Roland Spooner has passed away. Our condolences go out to his family also.

We still have speeders racing up and down 102nd Trail. I thought the problem was dealt with, however it still exists at times. The more we notify the Sheriff's Department the more likely we will have something done. They already know who the culprits are; we just need to call and notify the SCSO at (386) 362-2222 and listen to the recording. You need to press 1 to speak to the dispatcher and file your complaint. The more we do this the quicker we will have results.

We have Investigator Jacob Williamson from the SCSO coming to speak to us on Thursday, Oct. 18, at our next potluck dinner. I do hope you will mark your calendar to reserve that important night for this meeting.

I have found that "a welcome change" is anything you get back from a \$10 bill. Did you know that today's oak tree is yesterday's nut that held its ground? Do not get too busy to listen to what your heart has to say.

CARTER HOUSE

Monica Serlick, Reporter

We have two birthdays to report for this upcoming week. We wish a blessed and very happy birthday to both Gracie Adams and Joan Shade on Sept. 15. "Another adventure-filled year awaits you. Welcome it by celebrating your birthday with pomp and splendor. Wishing you a very happy and fun-filled birthday" (Shutterfly.com)!

Finally, the weather is cooling down a bit. It will be marvelous once the humidity drops down. Personally, I look forward to taking long walks and spending some time in the dog park with my very active puppy, now that the sand spurs are under control. I am hoping to meet other ACV members that have pets looking for play partners. If you come by in your golf cart with your pet, please leave the golf cart parked outside of the park. Scooters and power chairs have access on the paved pathway leading into the park. Remember to read the dog park rules posted outside each park, and enjoy your time with your pooch.

Reminder to everyone: All items for giveaway go on the long table inside the TV room. No food placed on the table should be expired; if it is expired it should be thrown away. The same goes for dirty or broken items.

The furniture, fixtures and decorations that are in there belong to ACV and are NOT to be taken away for personal use.

Please continue to keep those who are struggling with personal issues and those feeling under the weather in your prayers.

If you have any news you would like to share with others, please call and give me details.

Remember to be respectful of other residents and visitors. Please do not confront anyone if you think they are violating any of ACV's rules or policies. If you see anything that you believe is out of the ordinary or inappropriate, please contact the IC at 658-3333 and report it. They will ensure someone is sent to check things out. This is your home; IF YOU SEE SOMETHING, SAY SOMETHING!

DOWLING HOUSE

Patricia-Adele Lyons, Reporter

Sally Sauls's birthday is on the 15th, so be sure to wish her a blessed and happy birthday.

In conversations with folks about these days and times, one question keeps being repeated: "Why doesn't God do something?" When God is silent, is when God is busy. I try to explain it like this:

I believe in the sun,
even when it isn't shining.

I believe in love,
even when I don't feel it.

And I believe in God,
even when He is silent.

No matter what, take care of one another — "fear not." A strong Christian is one who fights battles no one knows about, yet still has enough strength left to pick you up when you have fallen, and hold you close when you need a caring shoulder to lean on. When you lean on Christ, you can then lean on each other.

Have a blessed weekend.

GOOD SAMARITAN CENTER AND DACIER MANOR

Bruce Arnold, Reporter

I recently heard James Sutter sing the song "You'll Never Walk Alone" at the memorial service for Nancy Cornell. Nancy had chosen this song, along with the hymns that were sung at the service. Our prayers are with the family of Nancy Cornell. May you know God's peace, grace and the hope of the resurrection in this difficult time.

James sang the song twice, the first time with the words "walk on, walk on, with hope in your heart, and you'll never walk alone" and the second time, at the chorus, he replaced the word "hope" with "Christ",

singing, "walk on with Christ in your heart". The song, "You'll Never Walk Alone" is from a musical by Rodgers and Hammerstein titled *Carousel*. The song is sung at a tragic part of the musical, and brings hope to a heart-broken woman who had just lost her boyfriend. It seems that the idea is that if we hurt, we just have to find hope, somehow, somewhere.

In Hebrews 12:2 the author points the readers to Jesus, who is "the author and perfecter of our faith." We all need hope, and hope is not just some inexplicable feeling; Jesus gives us real hope, hope that will last. Find your hope in Jesus today, and you will never walk alone.

Last week I mentioned the Employee of the Month program at GSC/DM. Here are the recipients so far for the year 2024:

- January — Debbie Wilkes, Court Clerk on Dogwood
- February — Amber Anderson, RN
- March — Jaleel Robinson, CNA
- April — Carrie Steele, LPN
- May — Norma Blume, RN
- June — Amanda Nims, RN
- July — Theresa Wilkins, CNA
- August — Patricia Cabrera, Social Services
- September — Kimberly Coleman, LPN

These past recipients will choose our next employee of the month as they vote for the nominees on the October ballot. We have so many wonderful employees at GSC and DM. We often hear remarks from residents and family members concerning our great employees!

The children from Wee Care came by on Monday to celebrate Grandparents Day. The children and residents worked on a craft and enjoyed cookies and soft drinks. Take a look at the ACV Facebook page, and you'll see some of the smiles.

Dick Grillo and Don Mott have recently been at GSC to share with our residents. We are thankful for these two men — Dick to sing, and Don to "travel" with us!

RIVERWOODS

Betsey Ruehl, Reporter

Save the date: Oct. 24. We are planning the next RW event.

Forewarning to dog owners and those whose grandkids might be visiting: Watch where you walk. This week, I noticed broken glass on Wildwood Drive. Since I walk our dog all over RW, I knew it was a puppy paw cut waiting to happen. On the way back I picked up as much as I could. I am officially a rescuer!

Last week, while riding on Wildwood Drive, I saw a blob in the road. Sometimes I think stuff falls off the trash trucks, and I pick up what I can. It turns out, the "blob" was a turtle. I got out of the golf cart, picked it up, and put it on the grass by the pond. A few days later, Gary and I were on 136 and I saw another "blob", which turned out to also be a turtle that I picked up and moved off the road. I hope it wasn't the same one! It would have been a really long walk for the turtle.

There's a slight chill in the morning air, and evening darkness seems to arrive just a little bit sooner every day. The time change is just around the corner. Sunday, Sept. 22, at 9:43 a.m., Florida should begin the Autumn Solstice.

While playing Mahjong the other day, I mentioned I had read a story about "sea glass". It resonated with me and with those I sent it to, as well. An excerpt: I want to age like sea glass, smoothed by tides but not broken ... I want my hard edges to soften ... I want to ride the waves ... I can send you a copy if you would like it.

Robin Williams quotes: "What's right is what's left if you do everything else wrong." "You're only given a little spark of madness. You mustn't lose it." "Comedy can be a cathartic way to deal with personal trauma."

MEMBER BENEFITS

ACV offers a variety of programs and services to its members under the membership program. Members

pay a monthly fee to provide supplemental support for this array of services and programs, meeting many of the varied needs of its members, as well as providing the opportunity to live his or her life to its fullest potential and highest level of independence. Some services you may not need today, you may well find important or essential in the future, and your financial participation makes it possible for your neighbor to have access to the services they need now.

This week's member benefit of note:

Members needing transportation to medical appointments may pay to have a Village employee drive them using a Village vehicle. This is called medical transportation. Fees vary by location. Those with questions or who are ready to schedule a trip should call the IC at 658-3333. Some low-income individuals may qualify for assistance; check with your service coordinator.

ELAINE HARRIS OBITUARY

Our hearts were saddened to hear of the passing of Elaine Harris on Aug. 30. Elaine and her husband, Ed, came down in their RV to stay in Tresca Park the past several winters. They could often be seen trimming, pruning and caring for our grapevines — all 10 125-foot rows — a very big job. They also trimmed and cleaned up bushes and beds in Camp Suwannee and around the church. Her gift of time and talent to ACV will be missed for she always had a big smile and a hello for everyone!

Before they left earlier this year, they made plans to move into RW and become full members of ACV upon their return in late September. Hopefully Ed will come later in the fall to be with us again. We look forward to seeing him and thanking him for bringing Elaine to brighten our village.

You can read Elaine's obituary at www.beaulieufuneralhome.com/obituary/elaine-harris.

FROM BAGS TO BEDS

We only had two people show up at last week's meeting, but I feel it was still a great day. Folded bags and balls of plarn were dropped off from people who work at home. They are an important part of our group.

I stopped in at Kathleen's, the head of our plarn ministry, to drop off a trunk full of plarn balls. I make this trip about every other week — not always with a trunk full, but more than I want to store in my house. I feel this shows a good strong group of volunteers. Kathleen sends her thanks and appreciation every time I see her.

We meet Thursdays at 10:00 a.m. at Cleo's Meeting House. Thank you for all your support of the plarn ministry.

FOOD REVIEW

Another tasty Sunday lunch was enjoyed at RDR. A new item, Tuscan chicken, turned out to be worth waiting for. Boneless chicken thighs dressed in a lovely light sauce and spinach made me very happy. Very tender and delicious, this is a wonderful alternative to fried chicken. The ribs continue to be a hit on the buffet.

Saturday, the Bistro had Don's beef teriyaki vegetable soup. Several of us really enjoyed it.

If you love salad, try the salad bar at RDR. Check the FNN to the day.

The Lopin' Gopher makes a fabulous mushroom Swiss burger. I had one last week, and it's loaded with the goodies. Locally loved, it's a great meal.

Come try the great selections at any of our three dining options. See y'all there!

FOLLOW YOUR NOSE

A few weeks ago my son's bedroom smelt like fish. And for the life of me I couldn't figure out what the smell was. I deep cleaned his room and still couldn't find the source of the smell. Within a few days the smell went away. Well yesterday the smell was back and horribly strong. I still couldn't find where the smell was coming from.

This morning I decided to Google what can cause a fish smell in the home. The first thing that came up was melting plastic from outlets. So I went and checked. Sure enough I had an outlet that was hot and melting the plugs. I am so glad I caught it before a fire started. If you smell fish it could be an electrical problem. Similarly, if you smell rotten eggs it can be from a gas leak.
